**MASSAGE/BODY OILS**

**Caribbean Spice** 60ml 1 12.48  
This spicy aroma will transport you to heady delight. An invigorating blend that captures the scents of the Caribbean; it re-vitalizes, replenishes and restores, while leaving the skin nourished and supple. 120ml 1 20.24

**Jungle Bliss** 60ml 1 12.12  
This delightfully herbaceous scent, reminiscent of the sunsplashed jungle canopy, uplifts, inspires and cultivates joy. Its refreshing aroma leaves the body replenished and revitalized and the spirit calm and content. 120ml 1 19.52

**Jungle Dream** 60ml 1 13.75  
Earthy, sweet and warm, this blend is reminiscent of basking in the luxurious Caribbean sun, dozing through balmy Belizean evenings. It is mildly meditative and aphrodisiacal, and also helps calm the nervous system, especially during times of stress, depression and insomnia. This synergy promotes great skin health as well. 120ml 1 22.79

**Jungle Joy** 60ml 1 11.01  
This powerful synergy is specially formulated to alleviate the aches, pains and soreness associated with physical stress. It leaves the muscles relaxed and free of tension, and the body/spirit replenished and invigorated. 120ml 1 17.31

**Jungle Love** 60ml 1 13.20  
This sensual, intimate blend is not only an aphrodisiac but also balances the emotions and gets the blood flowing while inducing a sense of euphoria, much like falling in love. It is at once deeply relaxing and stimulating, gently awakening all of the senses and promoting an overall feeling of well-being. Great for couples' massages or as a prelude to love-making! 120ml 1 21.68

**Maya Mystic** 60ml 1 14.13  
This warm, sensuous scent is specially formulated to relieve the mental and emotional angst associated with stress. Its sublime aroma leaves one's body/spirit comforted and serene. 120ml 1 23.54

<b>Rainforest</b>	60ml	1	13.74
This blend captures the scents of four members of the aroma family, being herbaceous, woody, earthy and citrusy all at once, evoking the wild abundance of the rainforest while it calms and replenishes.	250ml	1	22.77

### HERBAL SUPPLEMENTS/PLANT MEDICINE

<b>Jackass Bitters</b>	62 capsules	1	50.83
Jackass Bitters, ( <i>Neurolaena lobata</i> ), is a potent anti-parasitic agent (sesquiterpene dialdehyde) that is active against amoebas, candida, giardia and intestinal parasites. It exhibits antibacterial, antimalarial, antiplasmodial, anthelmintic, and hypoglycemic activity. It is a powerful anti-pathogen, and a superb daily detox, effectively used to control high blood pressure and glucose levels. Whether taken internally (in herbal capsule form, tincture or tea) and/or externally (in balm, tincture or tea form), it is an excellent remedy for skin conditions including sores, fungal and bacterial conditions, as well as cold sores. All parts of the plant are extremely bitter, making the easy consumption of this powerful plant medicine in capsule form most desirable.
